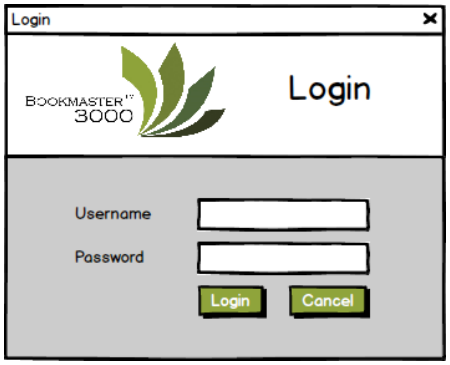
Style Guide



Fonts

Please use the font Tahoma throughout the whole application as it was defined as a company standard.

Colors

Please use the following colors for the user interface. On each window (exception: simple dialogs) at least three colors from the following table must be used. Always use colors from the primary and secondary color groups.

Sample	Color Name	R	G	B	Primary	Secondary
	Light Green I	143	164	59	X	
	Light Green II	113	129	54	X	
	Dark Green	80	103	59	X	
	Grey	191	191	191		X
	Black	0	0	0		X
	White	255	255	255		X
